Resource Conservationist - DGLVR Position Announcement

The Armstrong Conservation District (ACD) Board of Directors will be accepting applications for the full-time position of Resource Conservationist – Dirt, Gravel, and Low Volume Roads (DGLVR) until the position is filled. This position will lead the Armstrong Conservation District's DGLVR program in Armstrong County. The primary responsibilities of this position include administering the DGLVR program to reduce erosion and sedimentation by disconnecting municipal road drainage from streams and implementing Environmentally Sensitive Maintenance (ESM) practices.

Job duties include, but are not limited to: administering all aspects of the DGLVR program including assisting municipalities with the development of Environmentally Sensitive Maintenance compliant road projects, inspecting and monitoring road projects, working with the Quality Assurance Board to develop local program policy, filing reports, and keeping accurate program financial records; developing and conducting education and outreach events pertaining to the DGLVR program or any other District initiative; and obtaining all necessary certifications for the program or as directed by the District Manager;

The successful candidate will either have a college background in civil or environmental engineering, road design, environmental resources management or a closely related field or equivalent job experience and training. The ideal candidate will have excellent communication and organization skills, road maintenance background, project management experience, and knowledge of matters pertinent to conservation and non-point source pollution and the environment. Applicants must possess a valid PA Driver's license for at least 3 years and provide for their own transportation as needed. The successful applicant must pass a criminal background check and other pre-employment screenings.

The Resource Conservationist – DGLVR's starting salary will be \$39,000+/year based on experience and education. The Armstrong Conservation District offers a competitive benefit package including paid holidays, health/vision/dental insurance, a contributory retirement plan, vacation, sick, and personal leave.

To be considered for this position, applicants must email Holly Laird at halaird@co.armstrong.pa.us to obtain an application and full job description. Please submit a cover letter, resumé, and completed application to halaird@co.armstrong.pa.us

The job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees will be required to follow any other job-related instructions and to perform any other job-related duties as required by the District Board or its designee. The Armstrong Conservation District is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, the ACD will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective employees and incumbents to discuss potential accommodations with the District.
